

Post-Apocalooza!

Written by Mike

Sunday, 16 January 2011 12:28 - Last Updated Sunday, 16 January 2011 12:37

I recently took part in a series of author interviews done by Noah K. Mulette-Gillman. He has interviewed many new self published authors, and is a self published post-apocalyptic author himself.

Today, he is publishing seven author interviews, all related to the post apocalyptic genre, and your truly is included. I suggest that you read all the interviewed, as all of the authors bring a different perspective to the subject.

Check it out:
